

# SUJAN KUNDU

Associate – Quality Analyst

+91 8927995106 • kundusujan1@gmail.com • www.linkedin.com/in/sujan-kundu-146b60216/  
Kolkata, West Bengal, India

## Professional Summary

Quality Analyst with **5.6+ years of experience in Manual Testing** and **~2 years of hands-on experience in Automation Testing**. Strong expertise in functional, regression, smoke, sanity, and UAT testing, along with automation using **Selenium (Java)**. Experienced in Agile environments, defect management, and delivering high-quality releases. Actively contributing to automation frameworks while ensuring robust manual test coverage.

## Key Skills

### Manual Testing

- Functional, Regression, Smoke & Sanity Testing
- Integration & UAT Testing
- Cross-Browser & End-to-End Testing

### Automation Testing

- Selenium WebDriver (Java)
- TestNG
- Page Object Model (POM)
- Regression Suite Automation

### Test Management & Tools

- JIRA (Bug Tracking & Test Management)
- Test Case Design & Execution
- Defect Life Cycle
- Test Scenarios & Test Reports
- Postman (API Testing – Basic)

### Methodologies

- Agile / Scrum
- SDLC & STLC

## Professional Experience

**Sundew Solutions Pvt. Ltd.**  
**Associate – Quality Analyst**

**Kolkata, West Bengal**  
**10/2022- Present**

- Performed **end-to-end manual testing** of web and mobile applications across multiple releases.
- Analyzed **business requirements, user stories, and acceptance criteria** to create detailed test scenarios and test cases.
- Executed **functional, regression, smoke, sanity, and UAT testing** for sprint and release cycles.
- Designed and maintained **automation test scripts using Selenium with Java** for regression testing.
- Followed **Page Object Model (POM)** to improve script reusability and maintainability.
- Logged, tracked, and verified defects using **JIRA**, ensuring timely resolution.
- Collaborated with developers, product owners, and BA teams in an **Agile/Scrum environment**.
- Participated in **Sprint planning, Daily Stand-ups, Sprint reviews, and Retrospectives**.

**Prophecy Sensorlytics India Pvt. Ltd.**  
**Jr. Testing Engineer**

**Kolkata, West Bengal**  
**08/2019 - 10/2022**

- Ensured compliance with **regulatory and quality requirements** through extensive functional and regression testing, improving overall accuracy and reliability.
- Developed and implemented **Corrective and Preventive Action (CAPA)** plans to ensure adherence to defined quality standards.

- Generated and maintained **50+ detailed QA reports**, enabling comprehensive tracking of testing activities, defects, and release readiness.
- Improved customer satisfaction by **approximately 30%** through effective collaboration with cross-functional teams and timely defect resolution.
- Monitored application workflows and conducted **Root Cause Analysis (RCA)** to identify, analyze, and resolve defects at an early stage.

## Automation Projects

---

### Selenium Regression Automation

**Tools:** Selenium WebDriver, Java, TestNG

- Automated regression test cases for critical business modules.
- Implemented **POM structure** for scalability.
- Reduced manual regression effort and execution time.

## Key Achievements

---

- Successfully supported multiple production releases with **high-quality sign-offs**.
- Reduced regression testing time through **automation coverage**.
- Identified critical defects early, preventing production issues.
- Actively contributed to improving **QA processes and test documentation**.

## Projects Handled

---

- Web Application Testing – Customer & Admin Portals
- Mobile Application Testing – Android & iOS
- Feature Enhancements, Bug Fixes, and Full Regression Cycles

## Certifications & Awards

---

- **2025 – Certificate of Recognition** for remarkable contributions and **excellent performance in Quality Control (QC)** of critical projects.
- **2024 – ISO 9001:2015 Certified in Quality Management System (QMS)**.
- **2024 – Rising Star Award**, for exceptional contributions to the **Engineering and Products** division.
- **2023 – Recognition for Quick Learning & Quality Excellence**, for significantly enhanced overall project quality.

## Education

---

Makaut University  
**B.Tech in Computer Science & Engineering**

West Bengal, India  
**08/2019- 06/2022**

## Additional Information

---

- Strong analytical and problem-solving skills
- Excellent communication and collaboration abilities
- Quick learner with a quality-focused mindset
